Double your love at Montgomery County Animal Shelter, February 13-14! Pet adoptions at special rates and handmade valentines that will thrill the animal lover in your life

Valentine's Day is the time when we express our love for each other. For many of us, this includes our four-legged loved ones. In honor of this special heart-filled holiday, Montgomery County Animal Shelter is offering pet adoptions at special prices. Adopt a dog or cat marked with a heart sticker on the kennel card on February 13th and 14th. You'll be saving a life and doubling the love in your life!

All dogs and cats are spayed and neutered, vaccinated, and micro chipped before being adopted. These services would normally cost over \$200.

"We have several hundred dogs and cats to choose from in all shapes, sizes, and colors so you are sure to find the perfect match for your lifestyle," said Pat Ryan, the Montgomery County Animal Shelter's Director and Veterinarian. "Plus, adopting an animal is incredibly rewarding because you are truly saving a life."

Traditionally, Valentine's Day is celebrated by exchanging handwritten notes. The Montgomery County Animal Shelter has beautiful unique valentine cards that were handmade by Girl Scout Troop 5596 lead by Troop Leader Karen Rexer. These cards feature animals that have been adopted through MCAS and will be on display in the shelter starting February 3rd. You can select a valentine for the animal lovers in your life for a \$5 donation. The cards have a tribute on the back to let the recipient know that a donation was made to help the animals.

So visit Montgomery County Animal Shelter at 8535 State Highway 242, Conroe, TX from on Saturday February 13th and Sunday February 14th to double your love by adopting a pet or selecting a beautiful valentine. For more information, call 936-442-7738 or visit our website at <http://www.mcaspets.org>.

By adopting a pet this Valentine season, you can help Montgomery County Animal Shelter save lives and achieve our goal of creating a responsible animal community.
