

**Montgomery County Animal Shelter  
Asilomar Accords Report  
for  
03/01/2019 to 03/31/2019**

**The Asilomar Accords is a set of criteria developed in 2004 to be used by animal shelters across the nation. This criterion serves as guiding principles, standardized definitions and a statistics table for tracking shelter populations including foster care and a formula for determining a live release rate.**

**From March 01, 2019 to March 31, 2019, the Live Release Rate for the Montgomery County Animal Shelter was: 96.5%.**

**The Live Release Rate does not include 13 animals who's owner/guardian requested euthanasia which were unhealthy and untreatable (see line R) and 21 animals that died or were missing, lost or stolen in shelter or foster care (see line U).**

**Beginning Shelter and Ending Shelter totals have an acceptable variance of .5% due to database variances in intake and outcome dispositions of the shelter population.**

**Every animal that was saved was a direct result of caring, compassionate and dedicated Fosters, Volunteers, Rescue Organizations, Adopters, Staff and Veterinarians working together.**

**For the voiceless animals we say "THANK YOU for CARING".**
