Montgomery County Registration Application Dangerous Wild Animals

As the owner of a dangerous wild animal, you are required to submit an Application for Registration to Montgomery County Animal Services. Animals cannot be possessed, or transported without a Certificate of Registration.

- Registration application must include information on owner of the animal(s). In addition information on an emergency contact must be provided in the event of an emergency if the owner is not available.
- It must contain information about each animal, any identifying marks, tattoos, and microchips.
- Information about whether the owner plans to breed the animal or if the animal is spayed or neutered.
- Information about the enclosure where the animal will be housed.
- Proof of liability insurance in the amount of \$100,000.
- Once all information is submitted to Animal Services, Certificate of Registration is issued within thirty (30) days.
- If registration is denied-applicant will be given a written notice of the denial and the reasons for the denial.
- The Certificate Registration is valid for twelve (1) months from date issued.
- Application filing fee of \$50.00 per animal (maximum \$500.00). This non-refundable fee becomes the annual registration fee upon issuance of Certificate of Registration.
- Certificate of Registration is non-transferable. If animal is moved or transferred to a new owner, a new application and registration must be obtained.
- Before registration expires, the owner must submit a new application updating any changes. A veterinary inspection is needed for a renewal of an existing registration.
- The birth of any animal needing registering must be reported, in writing, to Animal Services within 10 days of birth. Failing to report or register young is a class C misdemeanor.
